Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

1. The listing of references in the specification is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609 A(1) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892, they have not been considered.
2. Claims 15-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.  
Claim 15 recites the limitation "said central housing" in line 9. There is insufficient antecedent basis for this limitation in the claim.  
Claim 17 recites the limitation "said central housing" in line 9. There is insufficient antecedent basis for this limitation in the claim.  
Claims 16 and 18 are rejected for depending from the aforementioned rejected parent claims.
3. Claims 1-14 are allowed.
